# Serpentinen 20

21

1

1

The image shows a technical drawing of a building facade. A blue highlighted polygon outlines a specific section of the facade. The number '20' is written above the word 'Serpentinen', and '21' is written to its right. Two orange rounded rectangles containing the number '1' are placed on the facade lines. The drawing includes various grey lines representing architectural details and blue lines for the highlighted section.
